

Growing Older with Lifelong Intellectual Disabilities: When Dementia is Suspected or Diagnosed

Fall 2024 - Person-Centered Care

Register for the Fall 2024 Series: Person-Centered Care

Register at <https://bit.ly/ECHOIDD>

This Project ECHO series is a free, practical, case-based education program for health care and service providers who want to enhance their knowledge, competence, and performance related to the care of people with intellectual and developmental disabilities affected by dementia. Each ECHO session will include a short presentation by a topic expert, followed by a case study submitted in advance by an ECHO participant site, and then open discussion to learn from one another.

<p><i>October 7, 2024</i> <i>Noon - 1:15 pm ET</i></p>	<p>Lived Experiences of Person-Centered Care <i>Panel discussion facilitated by:</i> Ashara Edwards, MS; Manhattan Regional Director of Operations & Services; YAI, New York, NY Philip G.
